

Widener
University

Delaware County
Community College

**Widener University “Day”
&
Delaware County Community College
DUAL ADMISSIONS
TRANSFER AGREEMENT
Fact Sheet**

Participation in the Dual Admissions program **entitles you to be admitted into a Bachelor’s degree program at Widener University provided that you:**

- 1) Earn your Associates degree in any A.S., A.A., A.F.A, or A.A.S. in Hotel and Restaurant Management.
**Students wishing to enroll in Widener’s Nursing program are not eligible to participate in Dual Enrollment agreement.*
- 2) Complete the Associates degree program with a cumulative 2.00 grade point average or higher. Enroll at Widener within one year of graduation from DCCC. Certain majors may require a higher minimum cumulative grade point average; such as Engineering, which requires a 2.5.
- 3) Do not attend another institution between graduation from DCCC and enrollment at Widener. (Your enrollment is non-binding and can be cancelled if you send written notification to both Widener University and DCCC).
- 4) Have not previously been enrolled at Widener University. (Students wishing to return to Widener are not permitted to participate in the Dual Admission program.)

Distinct advantages of the program are:

- 1) Scholarship opportunities, based on your cumulative DCCC GPA:
3.41 – 4.00 = \$19,000 per year
3.13 – 3.40 = \$17,000 per year
2.84 – 3.12 = \$10,000 per year
2.47 – 2.83 = \$8,000 per year

These scholarship amounts are higher than the scholarship amounts received by students transferring to DCCC without their Associate Degree or those not participating in the Dual Admissions program agreement. Students must be **full-time at Widener to receive a scholarship. Scholarship amounts are subject to change.*

- 2) Invitations to participate in Widener University Admissions events, to meet faculty, and to explore the campus
- 3) Admission fee waiver and easy admissions process
- 4) Academic catalog requirements at time of signed Intent to Enroll form – which provides for seamless academic advising and transfer credit evaluation

Five Easy Steps to Dual Admission:

- 1) Visit the DCCC Transfer Office to fill out an “Intent to Enroll” form **BEFORE** completing 30 college credits. Transfer professionals will pre-screen you to make sure you are eligible for the program*.
**Students wishing to enter the Nursing program at Widener are not eligible to participate in this Dual Admission agreement.*
- 2) Within the semester you are accepted into the Dual Admissions program, you will receive a Conditional Admission letter from Widener University.
- 3) In the semester **before** you are planning to begin at Widener University, you must submit a free online application. This application should be submitted to Widener along with official DCCC transcripts by July 15th for fall semester enrollment or November 15th for spring semester enrollment. No application fee will be required.
- 4) Submit official transcripts from any other college you have attended. International students are not required to submit TOEFL scores.
- 5) Send another DCCC official transcript at the conclusion of the final DCCC semester to Widener University, reflecting that the Associates degree has been earned.

Agreement will be reviewed and signed annually. Students should make sure they read the agreement in its entirety.
