

“THE NEUMANN CONNECTION”
DELAWARE COUNTY COMMUNITY COLLEGE
AND
NEUMANN UNIVERSITY TRANSFER AGREEMENT

The Dual Admissions Program

If you are newly admitted to an Associate’s degree program at Delaware County Community College (DCCC) or have earned 45 or fewer college-level credits at DCCC, you are eligible to complete this *Dual Admissions/Intent to Enroll* form. Students who have previously been matriculated at Neumann University are only permitted to apply for this Dual Admissions Program if approval is granted by both DCCC’s Transfer Office and Neumann University’s Director of Admissions.

Participation in this Agreement entitles you to be admitted into one of Neumann University’s baccalaureate programs [see page 2 of the *Dual Admissions Agreement*] when you have graduated from an A.A., A.S., A.F.A. or A.A.S. degree program at DCCC; and, if you:

- Have a minimum cumulative GPA of 2.00 [unless otherwise stated on page 1 and 2 of the Dual Admissions Agreement];
- Enroll at Neumann University within one year of graduation from DCCC; and,
- Do not attend another institution between your graduation from DCCC and your enrollment at Neumann. (PLEASE NOTE that your enrollment in this Dual Admissions Program is non-binding and can be canceled at any time provided that you send written notification to both Neumann University’s Office of Admissions and DCCC’s Transfer Office.)

The following scholarships are available from Neumann University to DCCC graduates who, through the terms of this Agreement and upon their matriculation at Neumann University as *Full-Time* students, pursue one of the designated traditional baccalaureate degree programs that are identified on page 2 of the Agreement.

Visit DCCC's Transfer Office, at your earliest convenience, to complete a *Dual Admissions/Intent to Enroll* form before completing 45 college credits at DCCC. Transfer professionals will pre-screen you to make sure that you are eligible for the Dual Admissions program with Neumann University.

This completed form and a sealed **official** DCCC transcript are to be sent to the Neumann University Office of Admissions. In addition, if you attended any other regionally accredited college or university prior to matriculating at DCCC, you must request that **official** transcripts from these institutions be sent to Neumann University as well. You are also required to arrange to have an official high school transcript sent to Neumann University's Office of Admissions. Once all of these documents are received by Neumann University, you will receive a *Conditional Letter of Acceptance* for the semester in which you are planning to attend.

Please remember that in the semester before you are planning to begin your studies at Neumann University, you must confirm your intention to matriculate at Neumann University by contacting the Office of Admissions by e-mail at *Neumann@neumann.edu*. This confirmation should be sent directly to Neumann University's Office of Admissions, along with the official documents described above, **no later than** July 1st for Fall Semester admission or by December 1st for Spring Semester admission [unless otherwise stated on page 1 and 2 of this Dual Admissions Agreement]. For additional information, please contact the DCCC Transfer Office at 610-359-5060.

To be considered for a Dual Admissions Transfer Scholarship, an **official** final transcript, which documents receipt of your Associate's degree and your final cumulative GPA of at least a 2.00 [unless otherwise stated on page 1 and 2 of this Dual Admissions Agreement], must be sent from DCCC to the Office of Admissions at Neumann University.
