**ADDENDUM TO THE
DUAL ADMISSIONS AGREEMENT
between
DELAWARE COUNTY COMMUNITY COLLEGE
and
TEMPLE UNIVERSITY OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION
(Effective Fall 2023)**

This addendum concerns the Dual Admissions agreement addendum between Delaware County Community College (DCCC) and Temple University (Temple) signed April, 2016, effective Fall 2016.

After signing of that addendum, Temple made changes to their dual admissions policies and procedures as described below:

- Students no longer receive a conditional admission letter from Temple University
- The Common Application has replaced Temple's online application
- Health information management was removed as a competitive major
- High school transcripts are no longer required to be sent to Temple because they will be included with the Common Application

The existing addendum has been updated to reflect these changes.

Revised informational handouts for prospective Dual Admissions applicants are now available on the Undergraduate Studies webpage (<https://undergradstudies.temple.edu/transfer/agreements/dccc>). It is important that this agreement is kept up-to-date. To this end, if changes occur at Delaware County Community College that would affect this agreement please inform Undergraduate Studies, so the documents can be amended.

We look forward to working with you and your colleagues on future agreements.

DUAL ADMISSIONS
Transfer Agreement

Temple University welcomes transfer applicants from both two-year and four-year colleges around the country and the world. Transfer students are a vital part of our vibrant campus communities. We know that as a prospective transfer student, you have special needs and concerns. Temple University's DUAL ADMISSIONS transfer agreements were designed to facilitate students' ease of transfer into any of Temple's 100+ undergraduate majors and, ultimately, to foster academic success.

ADVANTAGES OF THE TEMPLE-DCCC DUAL ADMISSIONS PROGRAM

If you are newly admitted to an associate degree program or have completed 30 or fewer graded college-level credits (including any credits completed at previous institutions) you are eligible to complete an INTENT TO ENROLL FORM available in the transfer office. **Please note:** Students who have previously been matriculated to Temple University are not eligible for the Dual Admissions program.

Registration in this program entitles you to be admitted into a bachelor's degree program at Temple provided that you: earn your associate degree (A.A. or A.S.) with a minimum 2.3 final grade point average; enroll at Temple within one year of graduation from community college; and do not attend another institution between graduation from community college and enrollment at Temple. Your enrollment is non-binding and can be canceled if you send written notification to both Temple University and DCCC.

This agreement applies to all Temple majors except for the following competitive majors (art, architecture, music, dance, pharmacy, and nursing), which have additional admission requirements. See <https://www.temple.edu/academics/> for a full listing of majors. The program offers these distinct advantages:

This is an opportunity for new or continuing students with 0-30 graded college-level credits.

5 Easy Steps to Dual Admissions

1. Visit the DCCC Transfer Office to fill out an "Intent to Enroll" form **before completing 30 graded college credits**. Remember, this includes any prior credits completed at other colleges or universities. The DCCC Transfer Office will pre-screen you to make sure you are eligible for the program.
2. In the semester **before** you are planning to attend Temple University, you must apply using the Common Application. On the Fee Waiver page of the Common Application, indicate a "yes" that you meet one or more of the Common App fee waiver eligibility criteria, as the Intent to Enroll form fulfills the supporting statement from a school official. This will waive your application fee. The deadline for Fall admission is **June 1st** and for Spring admission the deadline is **November 1st**. *Note that special programs may have separate deadlines for admission.*
3. Request **official transcripts** from all colleges you have attended.
4. To be considered for a Dual Admissions Scholarship, **a final transcript** reflecting degree earned and final Grade Point Average must be sent from DCCC to Temple's Office of Undergraduate Admissions.
