

Radiography Curriculum Sequence

**Curriculum is subject to change*

FIRST SEMESTER – SUMMER (6 – week session I)

BIO 150	BIO 131	Anatomy and Physiology I	4 credits
ENG 100	ENG 101	English Composition I	3 credits
MAT 121	MAT 106A, MAT 130, MAT 131, MAT 140, MAT 188, MAT 189 or MAT 190	Math Elective	

3 - 4 credits

Credit Hours: 10-11

FIRST SEMESTER – SUMMER (6 – week session II)

BIO 151	BIO 132	Anatomy and Physiology II	4 credits
suggestion	ENG 115	Writing for Technical Communication	<u>3 credits</u>

Credit Hours: 7

SECOND SEMESTER – FALL

RAD 100	Introduction to Radiography	3 credits
RAD 106	Radiographic Image Production and Analysis	3 credits
RAD 104	Clinical Education I	3 credits
RAD 111	Radiographic Procedures I	<u>3 credits</u>

Credit Hours: 12

THIRD SEMESTER – SPRING

	RAD 105	Radiation Physics and Imaging Equipment	3 credits
	RAD 114	Clinical Education II	3 credits
	RAD 121	Radiographic Procedures II	3 credits
PSY 140	PSY 101	Introduction to Psychology	<u>3 credits</u>

Credit Hours: 12

FOURTH SEMESTER – SUMMER

RAD 124	Clinical Education III	<u>4 credits</u>
---------	------------------------	------------------

Credit Hours: 4

FIFTH SEMESTER – FALL

	RAD 103	Radiation Protection and Biology	2 credits
	RAD 214	Clinical Education IV	4 credits
	RAD 221	Radiographic Procedures III	3 credits
COMM 111	CMS 110 or 120	Speech Communication or Public Speaking	<u>3 credits</u>

Credit Hours: 12

SIXTH SEMESTER – SPRING

RAD 224	Clinical Education V	4 credits
RAD 230	Radiographic Pathology	2 credits
RAD 251	Imaging Professionals and Professional Readiness	3 credits
Elective	Any Approved Cultural Awareness /Diversity Elective	<u>3 credits</u>

Credit Hours: 12

Total: 69-70 credits
