Registration in this program entitles you to be admitted into a Bachelor's Degree program with third year (junior) status at Rosemont College on the condition that you: 1) graduate from DCCC with an Associate in Arts (A.A.) degree, an Associates in Fine Arts (A.F.A), or an Associate in Science (A.S.) degree, **excluding Engineering, Engineering Technology, Computer Information Systems, Computer Science, Global Studies, Photography, Human Service, Social Work, and Science for the Health Professions**; 2) with a minimum cumulative GPA of 2.0; 3) enroll at Rosemont College within one year of DCCC graduation; 4) do not attend another institution of higher education between graduation from DCCC and enrollment at Rosemont College; and 5) satisfy all other regular Rosemont College admissions requirements. (Note: your enrollment is non-binding and can be canceled if you send written notification to both Rosemont and DCCC.) Dual Admissions offers the following distinct advantages:

Scholarships:

GPA	Resident	Commuter
3.0 – 4.0	\$7,500	\$5,000
2.0 – 2.99	\$4,500	\$3,500

In addition to merit based scholarships, any DCCC student who is a member of Phi Theta Kappa (PTK), is eligible for an additional \$1,500 annual scholarship. Students must show proof of membership, maintain a 3.2 while at RC to renew it, and attend Rosemont on a full-time basis. The scholarship is renewable for two years.

Third Year (Junior) Status: DCCC students will be guaranteed admission into a parallel Bachelor's degree program with full-time, third year (junior) status at Rosemont College and be able to complete a Bachelor's degree at Rosemont College within four regular semesters provided the student completes the appropriate Associate Degree program at DCCC and completes (and appropriately sequences) remaining course work at Rosemont College. Certain majors require more than 120 credits for graduation; therefore additional semesters may be necessary.

You must complete a "Dual Admission Program Intent to Enroll" form - available in the DCCC Transfer Office. **For additional information**, ask a Delaware County Community College transfer advisor or call the Rosemont College Undergraduate Admissions Office at 610-527-0200.
