Notes:					
Students are encouraged to complete ENG 112 at DCCC prior to entering Moore College. Failure to do so may extend the completion date for the BFA beyond two years.					
Students who wish to complete the BFA within two years of full time study at Moore College will need to enter in the Fall semester. Entry in the Spring semester will require additional semesters to complete the degree because of course sequencing.					
Courses remaining to be completed at Moore					
Need to determine suggested academic plan for these courses...
