This articulation agreement provides guidelines and establishes areas of responsibility to ensure that students who complete an Associate in Science (AS) degree in Business Administration at Delaware County Community College will transition effectively to the Bachelor of Business Administration (BBA) degree program at The American Business School of Paris (ABS Paris), majoring in International Marketing, International Finance, or International Business. Students who successfully complete the coursework identified in this agreement with a C grade or better in each class and a minimum DCCC cumulative GPA of 2.75 will be guaranteed admission into the third year courses of the BBA degree program. This agreement, formed in collaboration between Delaware County Community College and the American Business School of Paris, is intended to prepare credible and effective business graduates. The implementation date for this agreement is May 2021. This agreement supersedes all other articulation agreements between Delaware County Community College and the American Business School of PARIS.

Terms of the Agreement

- Students who transfer to the American Business School of Paris must be well advised at both institutions to ensure completion of all prerequisite and other degree requirements as outlined in this articulation agreement. Advising is the responsibility of designated Delaware County Community College transfer advisors for the two years of the Delaware County Community College program, and the ABSParis advisors for the final years of the ABSParis program. Students must consult these designated advisors at both institutions to ensure that all requirements are met.
- Advising materials used in support of this agreement will be developed in collaboration between the two institutions.

May 2021

- The intention of this articulation agreement is to create curricular alignment that supports students by creating an opportunity to earn the BBA at the American Business School of Paris after completion of the AS degree in Business Administration at Delaware County Community College.
- Evaluation of courses for transfer credit will not be subject to the terms of this agreement for students who choose to pursue a degree other than the BBA. The transferability of courses may be determined on a course-by-course basis if the student does not earn an AS degree in Business Administration as indicated in this agreement or does not continue at the American Business School of Paris in the BBA.
- Students will be accepted along the same requirements as outlined on the American Business School of Paris website for applying students.
Transfer students must apply online <http://www.absparis.org/en/online-application/> , no later than May 31st for the fall semester and November 30th for the spring semester. Application fees will be waived. Once the application is received, a Skype interview will be scheduled.

Transfer Option to the American Business School of Paris for Delaware County Community College Students

Students who transfer into the third year of the BBA program having completed an AS degree in Business Administration from Delaware County Community College, then will have to obtain an additional 60 semester credits to complete the BBA degree. This represents 20 courses including CMP (Career Management Program) seminars and an internship of 6 months. The 19 courses plus the 6 month internship can be completed over 2 years (3 semesters + one summer + 6 month internship). To obtain the BBA degree from The American Business School of Paris, a student must obtain 120 academic credits with a GPA of 2.5 out of 4.

A Delaware County Community College transfer student to The American Business School will choose a major in International Marketing, International Finance or International Business. The student will then complete the necessary core business courses, and in their respective majors (core business courses, as well as mandatory courses for the different majors and the senior year), and complete the CMP (Career Management Program) seminars over the next two years to obtain the 120 academic credits required to obtain the BBA degree from The American Business School of Paris.

In addition to the core business courses and the course pertaining to the majors which need to be completed, courses that are available at The American Business School and useful for Delaware County Community College students studying in France are:

- French language courses – Elementary, Intermediate, Advanced levels
- French Civilization course – taught in English (history, politics, culture, current events, etc.)
- An intercultural studies course.

These classes are not included in the tuition fees listed on the website and may be subject to an additional charge.

Maintenance Statement

Every three years, the Transfer Office at Delaware County Community College and the BBA program at the American Business School of Paris will review the articulation agreement in order to assess its effectiveness, ensure the standards of each institution are met, and respond to student input.

This agreement shall become effective on the day when the principals of both institutions affix their signatures to this agreement.
