

**IMMACULATA UNIVERSITY
COLLEGE OF UNDERGRADUATE STUDIES**

And

DELAWARE COUNTY COMMUNITY COLLEGE

**Dual Admissions
Transfer Agreement**

Immaculata University welcomes transfer students from Delaware County Community College to our four-year College of Undergraduate Studies. Immaculata's Dual Admission and Program-To-Program articulation agreements are designed to ease students' transfer into our undergraduate majors and to promote academic success.

**ADVANTAGES OF THE IMMACULATA-DELAWARE COUNTY
COMMUNITY COLLEGE DUAL ADMISSIONS PROGRAM**

If you are newly admitted to an Associate in Arts or Associate in Science degree program and have earned 30 or fewer college credits, you are eligible to participate in the Dual Admissions Transfer Agreement and complete an Intent to Enroll Form, which is available in the Delaware County Community College transfer office.

Registration in this program guarantees your admission into the major of your choice at Immaculata provided that you: 1) earn your Associate in Arts or Associate in Science degree with a minimum 2.0 final GPA; 2) enroll at Immaculata within one year of graduation from Delaware County Community College; and 3) do not attend another institution between graduation from Delaware County Community College and enrollment at Immaculata. For admission to our Education major, you must achieve a minimum GPA of 3.0 and a B in all of your education courses.

Registration into the program also waives your application fee. Your enrollment in the Dual Admission's Agreement with Immaculata is non-binding and can be canceled if you send written notification to both Immaculata and Delaware County Community College prior to the start of the semester for which you enrolled.

Program-to-Program guides are currently being revised and will be added as they are approved. Please check with your transfer advisor at Delaware County Community College for updates.

(more information on the back)
