

NURSING: R.N. TO B.S.N.

OVERVIEW

Immaculata's accelerated R.N. to B.S.N. program prepares registered nurses for positions of leadership in the modern health care industry. This award-winning holistic nursing program, accredited by the Commission on Collegiate Nursing Education, provides an education in patient-centered, evidence-based practice that builds on your work experience and increases your value in the workplace. The interdisciplinary curriculum explores the cultural, psychological, ethical, legal and management aspects of nursing in hospitals and communities.

With one of the largest R.N. to B.S.N. programs in Pennsylvania, Immaculata has a 30-year history of educating nurses. Highly qualified faculty are practicing nurse-scholars with extensive experience in a range of clinical specialties.

If you are interested in continuing your studies at the graduate level, Immaculata offers a Master of Science in Nursing, with specialties in nursing administration or education. Visit immaculata.edu/academics to learn more about all of our options.

CAREER POTENTIAL AND SALARY

A bachelor's degree in nursing can help you advance in your career, qualifying you for administrative positions and preparing you for graduate studies. According to the Bureau of Labor Statistics, the median salary for nurses is \$67,490.
