the right to make changes at any time.**

Delaware County Community College
Transfer Office
1/2022

**ADDENDUM TO THE
ARTICULATION AGREEMENT
between
ASSOCIATE in SCIENCE in PSYCHOLOGY
at
DELAWARE COUNTY COMMUNITY COLLEGE
to
BACHELOR of ARTS in PSYCHOLOGY
in the
COLLEGE OF LIBERAL ARTS
at
TEMPLE UNIVERSITY of the COMMONWEALTH SYSTEM OF HIGHER EDUCATION
(Effective Spring 2022)**

This addendum concerns the changes in the Delaware County Community College Associate in Science in Psychology program of study and the addition of:

- MATH 151: College Algebra transfers to Temple as a Lower Level Math elective and satisfies Temple's Quantitative Literacy General Education requirement. Students have the choice to either take MAT 151 or MAT 121 at Delaware County Community College to fulfil Temple's General Education Quantitative Literacy requirement.
- BIO 100: Biological Sciences transfers to Temple as BIOL 1001: Human Biology and BIO 150: Human Anatomy and Physiology I transfers to Temple as KINS 1223: Human Anatomy and Physiology I. Both courses satisfy Temple's Science and Technology General Education requirement. Students have the choice to either take BIO 100, BIO 110 or BIO 150 at Delaware County Community College to fulfill Temple's General Education Science and Technology requirement.
- PSY 210: Lifespan Human Development, PSY 220: Abnormal Psychology, and PSY 255: Intro to Biological Psychology are now Psychology Core course options for the A.S. in Psychology program at DCCC. Students must choose two courses from the list to successfully complete the 6 credits of Psychology Core courses for the program (See Note 2). Students will now have an additional Free Elective at Temple instead of having to take an Upper Level CLA/CST course.
- Students are required to take two Humanities electives instead of one Humanities elective and one General elective. Students are recommended to take one Humanities elective in the second semester at DCCC and the other Humanities elective in the fourth semester at DCCC.

to the program-to-program Transfer agreement between Delaware County Community College and Temple signed in Fall 2019.

After the signing of that agreement, Temple University revised their Bachelor of Arts in Psychology curriculum with the following changes:

- BIO 110: General Biology I course equivalency changed. BIO 110 transfers to Temple as BIOL 1112: Introduction to Biomolecular, Cells, and Genomes.
- DPR 100: Introduction to Information Technology course equivalency changed. DPR 100 transfer to Temple as SCTC Lower Level Elective.
- ENG 112: English Composition II course equivalency changed. ENG 112 transfers to Temple as ENG 2001: Interpreting Literature and satisfies an Upper Level Humanities/CST course requirement.
- Due to the above changes, students are now required to take one Upper Level Humanities/CST course, two CLA/CST 2000+ courses, four CLA/CST 0800-4999 courses, and three Free Elective courses at Temple to satisfy the requirements for the B.A. in Psychology degree.

This existing agreement has been updated to reflect these changes.

Pages 4 and 5 of the agreement signed in Fall 2019 should be replaced with the following updated pages.

Signatures on File in the Transfer Office

Associate in Science in Psychology ^{Note 1}
at Delaware County Community College to
Bachelor of Arts in Psychology
at Temple University College of Liberal Arts
(Effective Spring 2022)

DCCC Recommended Course			Temple University Equivalent	
First Semester		Credits	First Semester	
ENG 100	English Composition I	3	ENG 0802	Analytical Reading & Writing

	Humanities Elective	3		Dependent upon course selection ^{Note 6}
PSY XXXX	Psychology Elective	3		Dependent upon course selection ^{Note 6}
PSY XXXX	Psychology Elective	3		Dependent upon course selection ^{Note 6}

	Semester Total:	16		
	Total Credits Taken:	62-63		

Notes: The B.A. in Psychology in the College of Liberal Arts at Temple University consists of 44-45 credits in the major, including 4 credits in a designated science area. Per the CLA Residency Requirement, students must complete at least half of the courses at Temple

- 1) Students who transfer to Temple with an Associate of Science in Psychology have satisfied the terms of the Temple-DCCC GenEd-to-GenEd transfer agreement and have completed the General Education requirements necessary to graduate from Temple University.
- 2) MAT 210: Statistics transfers to Temple as MATH 1013: Elements of Statistics. Temple's MATH 1013: Elements of Statistics satisfies the major requirement PSY 1004: Critical Thinking in Psychology through a DARS exception. Students transferring without this course may require additional time to degree completion.
- 3) PSY 210: Lifespan Human Development, PSY 220: Abnormal Psychology, and PSY 255: Intro to Biological Psychology are core course options for the A.S. in Psychology degree at DCCC. Students must choose two courses from the list to successfully complete the six credits of Psychology Core courses to earn the A.S. in Psychology degree. All three courses satisfy major requirements in the B.S. in Psychology program. PSY 210: Lifespan Human Development transfers to Temple as PSY 2301: Foundations of Developmental Psychology and PSY 220: Abnormal Psychology transfers to Temple as PSY 2201: Foundations of Psychopathology. Both courses satisfy the Developmental, Clinical, Social (DCS) Foundations course requirements for the B.A. in Psychology degree at Temple. PSY 255: Intro to Biological Psychology transfers to Temple as PSY 2501: Foundations of Behavioral Neuroscience and satisfies one of the Brain and Cognitive Science Foundation courses in the B.A. in Psychology degree at Temple. Course selections at DCCC will determine which two foundation courses will need to be completed at Temple.
- 4) The College of Liberal Arts at Temple University requires all students to complete at least two levels of a foreign language. It is strongly recommended that students select a 101 level foreign language course at DCCC to partially fulfill this requirement. Students transferring without a 101 level foreign language course may require additional time to degree completion.
- 5) The College of Liberal Arts at Temple University requires all students to complete at least two levels of a foreign language. It is strongly recommended that students select a 102 level foreign language course at DCCC to partially fulfill this requirement. Students transferring without a 102 level foreign language course may require additional time to degree completion.
- 6) To see how courses might transfer, consult Temple's Transfer Equivalency Tool: <http://http://SS/admissions.temple.edu/transfer-equivalency-tool>. Courses not included in the transfer tool may transfer.

If the suggested classes are successfully completed at Delaware County Community College and an Associate in Science Psychology degree is awarded, the remaining four semesters for the **Bachelor of Arts in Psychology** are as follows

Remaining Requirements at Temple University		
Fifth Semester		Credits
PSY 1002	Careers in Psychology	1
PSY 1003	Statistics for Psychology	3
PSY 2XXX	BCS Area Foundation Course	3
CLA 3rd Level Foreign Language/Global Studies	Students should select from one of the following: Foreign Language (Third-level), GenEd Global/World Society course, or Internationally Focused Course from Approved List ^{Note b}	3
HUM/CST 2000+	Upper Level Humanities/CST Course ^{Note c}	3
CLA/CST 0800-4999	CLA/CST 0800-4999 Elective	3
Semester Total:		16
Sixth Semester		Credits
PSY 2XXX	BCS or DCS Area Foundation Course ^{Note a}	3
PSY 3096	Conducting Psychological Research [WI]	3
CLA/CST 2000+	2000-4999 Elective ^{Note c}	3
CLA/CST 0800-4999	CLA/CST 0800-4999 Elective	3
	Free Elective	3
Semester Total:		15
Seventh Semester		Credits
PSY 3000-3620	Advanced Psychology Course	3
PSY 2000-3620	Foundation or Advanced level course	3
CLA/CST 2000+	CLA/CST2000-4999 Elective ^{Note c}	3
CLA/CST 0800-4999	CLA/CST 0800-4999 Elective	3
	Free Elective	3
Semester Total:		15
Eighth Semester		Credits
PSY 4XXX	Capstone: Writing Intensive [WI] ^{Note d}	3-4
PSY 3000-3620	Advanced Psychology Course	3
PSY 3000-3620	Advanced Psychology Course	3
CLA/CST 0800-4999	CLA/CST 0800-4999 Elective	3
	Free Elective	1-3
Semester Total:		14
Credits completed as part of the A.S. in Psychology at DCCC:		62-63
Remaining credits to complete B.A. in Psychology at Temple:		61-60
Total Credits Completed to Satisfy the Requirements for B.A. in Psychology:		123 ^{Note c}

Notes: Students following this plan are under the GenEd-to-GenEd General Education program

- Course selections at DCC will determine which two foundation courses will need to be complete at Temple. The B.A. in Psychology requires students to complete two DCS and two BCS Area Foundation course. Student should consult with an advisor.
- Students should select a course that satisfies the CLA Foreign Language/Global Studies requirement. Students who completed two levels of a foreign language at their community college should select one of the following: a third semester of foreign language; take one Global Studies course; study abroad at an approved program; or take a GenEd Global/World Society course.
- To earn a CLA baccalaureate degree, a student must complete a minimum of 123 credits, including: 90 credits in CLA/CST courses, 45 credits of which must be at the upper level (numbered 2000-4999). Of that, 6 credits must be outside the student's major division (e.g. Social Sciences or Humanities)
- Students have the option to choose one of three capstone courses including: PSY 4596: Capstone: Fields of Psychology, PSY 4696: Capstone in Psychology, or PSY 4996: Honors Capstone. Student should consult with an advisor.
- Temple University requires that all undergraduate degree candidates complete 45 hours of the last 60 hours of the degree or program as matriculated students at Temple University. If a matriculated student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.
- Per Temple's Transfer Policy for [Permission to Complete a Course at Another Institution after Matriculation](#), students who transfer 60 credits or more cannot receive permissions to transfer additional course work

Inquiries about the undergraduate program and application are handled through the Office of Admissions (Phone: 215-204-4900; E-mail: admissions@temple.edu)

Inquiries about the B.A. in Psychology or specific course requirements can be directed to The College of Liberal Arts Center for Academic Advising & Professional Development at claaac@temple.edu
