NSG 435	Nursing Leadership Practicum	2
	Diverse Communities General Education Component	3
	Open Elective	3
	TOTAL	30

<sup>1</sup>These courses are required General Education components and must be completed prior to enrolling in the first RN-BSN course. Students who have not completed the four prerequisite courses may be admitted to the "Pre-BSN" major and will be assigned an academic support counselor at West Chester University to assist the student in selecting courses to meet the prerequisite requirements.

 $^2\mathrm{Students}$  should choose from DCCC's approved courses for nursing majors-Must be transferrable to WCU.

#### NOTES:

Students must have 30 credits from WCU for the BSN degree, and reach an overall 120 college credits (transfer and WCU combined) to earn the BSN. (check with a transfer advisor)

#### Suggested DCCC subject areas to reach 120 credits:

- Business
- Science/Allied Health
- Psychology
- Social Work
- Languages

### Options at West Chester to reach 120 credits:

- An 18-credit minor at WCU
- Courses at WCU towards the MSN

### A 2.75 GPA in all college-level coursework is required to transfer.

Students in their final semester of a Nursing associate's or diploma program may apply and be offered provisional admission prior to becoming licensed, however students may not start classes in the RN-to-BSN program at West Chester without an active RN license
